****Please Note****

Troupe Classes – Students can participate in Troupe classes but to be part of the troupe performance students must also enrol in an Exam Class for all troupes 16 years and under

Acro Classes - Students will be evaluated and put into appropriate classes depending on skill level. We suggest new students enrol in Beginners Acro and then after assessment, teachers will place students in correct class for ability. Safety and care is most important so classes are not based on age but ability of tricks.

Lyrical Classes – Lyrical is very strongly based on ballet technique. Students are strongly recommended to do a ballet class to help understand the technique
